

Prophetic Theme For 2010 For All At Living Faith Church Beholding the Glory of His Majesty

**Dear Jehovah Jireh, my God who sees ahead and makes a
providence for my highest well-being**

**To Your ordained blessings in 2010
I said, "Yes and Amen!"**

**Regardless of the distractions that may arise now and then
Good success is found in Your Word that You have inspired Your saints to pen**

**In Your unfailing love I stand
Through Your Word I shall increasingly understand
The Holy Spirit is my Guide in each kingdom assignment at hand
Thank You that the glory of Your Majesty is upon me and I shall be a delightful land**

Amen!

"Let this prayer draw us close to God to receive His anointing for good success. How we allow our Loving God to speak into us is prime.
It is not about the words that rhyme,
it is about in the presence of God, in love and faith, through prayer, we take time"
